China Practice Group - 中国事业部

Yigal Arnon & Co.'s China Practice Group is one of the firm's core practice groups today. Our experience spans diverse industries including infrastructure projects, banking, cyber security, life sciences, agrotech, fintech and real estate. Our China-related experience includes venture capital and private equity transactions, complex commercial and JV agreements, M&A and capital markets transactions, both in-bound and out-bound. We were especially proud to have represented the joint sponsors in the recent IPO of the first-ever Israeli company to have listed on the Hong Kong Stock Exchange.

伊加尔·艾诺律师事务所的中国事业部是当今公司的核心业务部门之一。我们的经验遍及各个行业，包括基础设施项目，银行业务，网络安全，生命科学，农业科技，金融科技和房地产。我们在中国的相关经验包括风险投资和私募股权交易，复杂的商业和合资协议，收购并购和资本市场交易，这些都是与中国相关的境内外双向投资。在首家以色列公司成功赴香港证券交易所挂牌上市的流程中，我们担任该公司联合保荐人的以色列法律顾问，对此我们深感自豪。

Our clients value not only our lawyers' deep legal knowledge, but also our practical advice coupled with sensitivities to the cross-cultural aspects of representing clients involved in China-Israel related transactions. Our lawyers are often invited to speak at conferences and seminars to discuss unique aspects of such transactions and share insights gained from years of experience. The firm also regularly hosts Chinese investors and entrepreneurs visiting Israel.

我们的客户不仅看重本所律师深厚的法律知识，而且非常认可我们提出的实际建议以及在代表中以双方客户中所拥有的跨文化交易方面的敏感度。本所律师也经常受邀出席各类行业会议和讲座，探讨这类交易的独特之处，分享从多年经验中积累的洞察。我们还经常接待许多到访以色列的中国投资人和企业家。

Yigal Arnon & Co. has also established professional relationships with leading law firms throughout China and Hong Kong and, as such, is able to offer its clients with comprehensive legal advice as needed.

伊加尔·艾诺律师事务所已与中国和香港两地的顶尖律师事务所建立了专业合作关系，因此我们能够为客户提供所需的全面的法律建议。
