Experience

Yoran Gill specializes in litigation, tort law, and insurance and environmental claims. His practice focuses on complex cases in these areas. He represents some of the largest corporations—including foreign insurance companies—engaged in legal proceedings taking place both in Israel and abroad.

In his areas of expertise, Yoran also has extensive experience in representing large firms in international arbitrations. He has successfully represented industrial corporations in the largest environmental cases to ever take place in Israel, such as the Kishon River and Ramat Hovav industrial zone cases, as well as in litigation resulting from the Mount Carmel forest fire.

Yoran also represents lawyers in malpractice claims.

Yoran—who became a partner at the firm in 2016—lectured before the Israeli Bar Association and in other forums. Prior to joining Yigal Arnon & Co., he was a partner in another of Israel's law firm.

Yoran received his LL.B., magna cum laude, from Tel Aviv University in 1993 and was admitted to the Israel Bar in 1995.
